Minutes of the meeting of Departmental Research Committee (DRC) in Biotechnology held on 3rd September, 2020

Agenda: Admission to Integrated PhD program in Biotechnology in the Departments of Biotechnology and Nanotechnology

A meeting of the Departmental Research committee (DRC) was convened on 3rd September, 2020 in the library of the Department of Biotechnology. Dr Rabia Hamid, Head, Department of Nanotechnology and three faculty members from the department Dr Tariq Maqbool, Dr Faheem Arjamend and Dr Mushtaq Baig attended as special invitees.

The agenda of the meeting was to select the candidates for admission to Integrated PhD program in Biotechnology against the available vacancies (Four in the Department of Biotechnology and Eight in the Department of Nanotechnology). Only the candidates exempted from the entrance test for having qualified JRF/ NET/ GATE / M.Phil were invited for interaction and counselling. Online link was also made available due to ongoing pandemic situation.

Fourteen candidates appeared before the DRC, One candidate namely Amreena Hassan was not fulfilling the eligibility as her M Sc results were not declared yet. Another candidate namely Qurat ul Ain has completed her M Phil in Biotechnology and already stands registered for the PhD program. One candidate namely Wajahat Waseem appeared online.

Following interaction and counselling, the committee unanimously recommended the candidates given in the Annexure for provisional admission to Integrated PhD program in the Departments of Biotechnology and Nanotechnology as shown against each.
